

N SHILPA

Entry-Level Software Engineer

Bengaluru, Karnataka – 562149 | +91-9901884104
shilpa.n0507@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Entry-level Software Engineer with a solid foundation in programming, database, cloud and web technologies with hands on Experience in academic projects. Seeking to start a career as a Software Engineer and grow in a dynamic tech environment.

EDUCATION

- **Bachelor of Engineering in Information Science & Engineering** [2022-2026]
KNS Institute of Technology, VTU | **CGPA:8.4/10**
- **Pre- University (PCMB)** - Dr. NSAM PU College, Bangalore | 77% [2020-2022]
- **SSLC (Class 10)** - New Excellent English School, Bangalore | 90.56% [2019-2020]

SKILLS

Languages: Python, C, C++
Web/Frameworks: HTML5, CSS3, JavaScript
Databases: SQL, MySQL
Tools & Platforms: Git, GitHub, Linux

PROJECTS

Online Sports Shopping Management System

- Developed an Online Sports Shopping Management System using Django, SQLite, HTML, CSS, and Bootstrap.
- Implemented product, cart, wishlist, order, and payment modules with full CRUD functionality and database integration.
- Built an admin management dashboard using Django Admin Panel for centralized product and customer management.

IoT-Based Smart Wearable for Visually Impaired Users

- Designed and developed a wearable device using ultrasonic sensors for obstacle detection.
- Implemented vibration and audio feedback systems for real-time navigation support.
- Integrated Arduino, Sensors, and IoT modules to provide real time alerts and improve mobility.

Personal Expense Tracker| Python

- Built a full-stack expense tracking web app with user authentication using Flask and SQLite.
- Implemented CRUD operations to add, view, and delete daily, weekly, and monthly expense records.
- Integrated dynamic dashboard updates and expense charts using JavaScript with frontend-backend API communication.

INTERNSHIP / TRAINING

Magic Bus India Foundation — AWS Training | May 2025 – July 2025

- Completed training in AWS basics with live mentoring sessions.
- Gained hands-on experience in cloud services, EC2, S3, IAM, and deployment practices.
- Worked on Practical exercises to strengthen cloud computing fundamentals.

CERTIFICATIONS

AWS Training – Magic Bus India Foundation
Foundation of cloud IoT & edge ML – NPTEL
AI Fundamentals – IBM Skills Build | 2025
